There are two licenced bars and a front of house outlet to cater for all your refreshment needs. As well as the two bars the front of house area serves a full range of ice creams, teas and coffees and a wide selection of chocolates and sweets. Take advantage of our pre order facility for ordering your interval drink from the bar and save time queueing.

Car Parking

The Prince of Wales is served by several car parks but the multi storey car park is particularly close and during most performance times (excluding matinees) is free of charge. Please use level 4 of the multi storey. There are numerous disabled parking bays at the front of the facility in Church Street. Please note that parking at the rear of the Prince of Wales is strictly limited and customers are requested not to use the limited parking there.

For a map showing all local car parks, see the back page of this brochure.
